

AUTOMOTIVE TESTING WORKSHOP

Trilion Workshop Series: Accelerating Product Development

August 11, 2026

Wixom, Michigan

Certified
Metrology Partner

Join us

Join us for an exclusive event, focused on helping automotive teams reduce development time, cut prototype cycles, and improve test-to-simulation correlation.

See how leading automotive teams are using optical 3D testing and automated workflows with ZEISS ARAMIS to replace fragmented sensors, accelerate validation, and bring better products to market

- Speed up product development and testing
- Scale testing through automation and improve consistency
- Bridge the gap between simulation and physical testing

August 11, 2026

9:30 am – 4 pm

ZEISS Industrial Quality Solutions Center
Wixom, Michigan
29295 Lyon Oaks Dr, Wixom, MI 48393
